

# Smart University - Faculty Operations & Workload Policy

Document Code: FAC-WORKLOAD-2026

## Teaching & Office Hours Mandate

Full-time Professors must hold at least 4 office hours per week for student consultation. Tenured faculty workload allocation is structured as 40% Teaching, 40% Research, and 20% Administrative Service. Tenure-track faculty receive a reduced teaching load of 2 courses per academic year.

## Annual Department Research Budget Allocation

| Department             | Annual Budget | Lab Allocation         | Travel Grant / Faculty |
|------------------------|---------------|------------------------|------------------------|
| Computer Science       | \$1,500,000   | AI & Robotics Lab      | \$3,500                |
| Electrical Engineering | \$1,200,000   | VLSI & Signals Lab     | \$3,000                |
| Mathematics            | \$900,000     | Computational Math Lab | \$2,500                |
